4. The Domestic and Cross-Border Transfer of Your Personal Data to Third Parties

Your personal data which are retained by our Company may be accessed solely by our personnel who have been granted with restricted access authorization for the aforementioned purposes, to the extent as is necessary to fulfill their duties, and will not be transferred to third parties located in Turkey and/or abroad in cases where the conditions for transfer which are regulated in articles 8 and/or 9 of the LPPD are not satisfied. Nevertheless, your personal data which are processed within the scope of each personal data category listed hereinabove may be transferred to the following recipient groups if the aforesaid personal data processing conditions (legal grounds) for the data category concerned are further satisfied in terms of the purposes for transfer, and in accordance with articles 8 and/or 9 of the LPPD:

- to our **suppliers** (e.g. *human resources, social security, occupational health and safety, legal, finance, customs clearance and tax attorneys, consultants, advisors and auditors and information technology and data hosting service providers*) located in Turkey and/or abroad, as limited with the identification, contact, finance, visual and audio, professional work experience, physical location security, request / complaint / suggestion, legal action, vehicle and transaction security personal data categories and special categories of personal data regarding health, criminal convictions and security measures, for the purposes as specified hereinabove for each data category, and particularly, in order to ensure the procurement of products and/services for the execution of our Company's operations;
- to our **business and solution partners and customers** located in Turkey and/or abroad, as limited with the identification, contact and professional work experience personal data categories, for the purposes as specified hereinabove for each data category, and particularly, in order to ensure business continuity and establish potential business collaborations within the scope of our Company's operations;
- to Turkish **banks**, as limited with the identification, contact, finance and professional work experience personal data categories, for the purposes as specified hereinabove for each category, and particularly, in order to enable the materialization of payments and other financial transactions;
- to **potential buyers, sellers or other transacting parties** located in Turkey and/or abroad **and their employees, consultants and database service providers involved in the process, who are under a confidentiality obligation**, as limited with the identification, contact, finance, visual and audio, professional work experience, physical location security, request /complaint / suggestion, legal action, vehicle and transaction security personal data categories and special categories of personal data regarding health, criminal convictions and security measures, for the purposes as specified hereinabove for each data category, and particularly, in order to facilitate the carrying out of the legal and financial due diligence of our Company in case of any potential corporate merger, acquisition, joint venture, de-merger and other structural changes;
- to our **group companies including our Company's affiliates** located in Turkey, as limited with the identification, contact, finance, visual and audio, professional work experience, physical location security, request /complaint / suggestion, legal action, vehicle and transaction security personal data categories and special categories of personal data regarding health, criminal convictions and security measures, for the purposes as specified hereinabove for each data category, and particularly, in order to enable the conducting of communication, audit and reporting activities;
- to your **principal employer** in Turkey, as limited with the identification, contact, professional work experience, visual and audio, legal action, request / complaint / suggestion, vehicle, transaction security and physical location security personal data categories and special categories of personal data regarding health, criminal convictions and security measures, for the purposes as specified hereinabove for each data category and particularly, in order to manage the activities of the

dedicated suppliers / supplier personnel and the communication of the necessary notifications to the principal employers; and

- to the **authorized public institutions and organizations** in Turkey and/or abroad, as limited with the identification, contact, finance, visual and audio, professional work experience, physical location security, request /complaint / suggestion, legal action, vehicle and transaction security personal data categories and special categories of personal data regarding health, criminal convictions and security measures, for the purposes as specified hereinabove for each data category, and particularly, in order to fulfill our Company's statutory obligations and the follow-up the legal affairs thereof.

5. The Period for Processing of Your Personal Data

Your personal data which are acquired during our Company's operations are retained and destroyed pursuant to the general principles and regulations laid down in our Company's policies and procedures on retention and destruction, which are drafted in accordance with primarily, the Constitution, and the LPDD, the Regulation on the Deletion, Destruction and Anonymization of Personal Data and other applicable legislation.

Within this scope, if all of the aforementioned personal data processing conditions cease to exist, your personal data will be destructed accordingly. Your personal data will then be continued to be processed during the statutory limitation periods pertaining to the specific process. Your personal data which are processed on the basis of the requirement of the attainment of explicit consent for personal data processing will be destroyed at the first destruction period following the revocation of your explicit consent. Please see section 6 of this Privacy Notice for your requests concerning the destruction of your personal data.

6. Your Rights under the LPPD

Pursuant to article 11 of the LPPD, you possess the following rights, as a data subject:

- being informed of whether your personal data are processed by our Company or not;
- requesting information thereon if your personal data have been processed;
- being informed of the purpose for the processing of your personal data and whether such data were used in conformity with such purpose or not;
- knowing the third parties in Turkey or abroad to whom/which personal data are transferred;
- requesting the rectification of incomplete or inaccurate personal data which were processed and the notification, of the operation carried out within this scope, to third parties to whom/which personal data were transferred;
- requesting the deletion or destruction of personal data despite the processing in accordance with the law and other applicable legal provisions, once the reasons necessitating the processing cease to exist, and within this scope, if the personal data were processed incompletely and inaccurately, the notification, of the operation carried out within this scope, to third parties to whom/which personal data were transferred;
- objecting to any outcomes to your detriment by means of the analysis of the processed data exclusively through automated means;
- claiming the compensation of your damages, in case you incur any damages due to the unlawful processing of personal data.

You may submit your application regarding your aforementioned rights, in accordance with the provisions of the Communiqué on the Procedures and Principles of Application to the Data Controller (in writing or electronically, via registered electronic mail (KEP) address, signed with secure electronic

signature or mobile signature, or via your e-mail address which had previously been notified to our Company and which is recorded in our system - along with the information / documentation* verifying your identity in order to enable our Company to confirm your status as an actual right-holder/beneficiary (e.g. Turkish ID number or passport number for citizens of other countries, residential address / workplace address for notification/service, mobile phone / landline /facsimile number, e-mail address) through the channels which are indicated in the applicable legislation, in accordance with the procedures and principles which are laid down in the applicable legislation, particularly via the e-mail address of KVKKIRTIBAT@bilimilac.com. Your application will be concluded free of charge as soon as possible and within 30 (thirty) days at the latest, depending on the nature of your request; however, in case the transaction requires an additional cost, you may be charged according to the tariff determined by the Personal Data Protection Board.

* Please note that no special categories of personal data (e.g. religion or blood type information) should be included in the said documentation.
